

Company Name: Boston University

Contact Name: Junkai He

Phone Number: 6174702188

**Please remember to include your Bill of Materials (BOM) in excel format. This is required to quote your assembly.**

- Part Number: Junkai SD 0102
- Revision: 1
- How many boards would you like to have assembled: 2 boards
- What are the dimensions of your PCB? X: 3.76 \* Y: 3.08 inches
- What assembly process do you require? (Please choose one)
  - Leaded Solder
  - Lead-free Solder

I don't mind. I would like to choose the one with lowest price. If they are the same, I would choose Lead-free Solder.

- How will parts be acquired? (Please choose one)
  - Labor only (You supply and ship parts to Advanced Circuits)
  - Turnkey assembly (We purchase parts, minimum material quantity of 5)
  - Note: Please request budgetary quotes and quotes from preliminary BOM's as labor only. This will allow us to return your quotes to you in timely manner. We will be pleased to quote material pricing once your BOM has been finalized.

Turnkey assembly

- Are there SMT components on both sides of your PCB? (Please choose one)
  - Yes
  - No

No

- Is ITAR compliance required? (Please choose one)
  - Yes
  - No

No
